FINANCIAL POLICIES AND PROCEDURES

Thank you for choosing us as your skin care provider. We are committed to providing you with quality and affordable health care. We understand you may have some questions regarding patient and insurance responsibility for services rendered and hope we can provide more understanding on this topic.

INSURANCE. We participate in most plans, including Medicare. If you are not insured by a plan we are contracted with, payment in full is expected at each visit. If you are insured by a plan we are contracted with, but do not have an up-to-date insurance card, payment in full for each visit is required until we can verify your coverage.

It is your responsibility to keep us updated with your correct insurance information. Upon arrival we ask that you come prepared to present your current insurance card and photo identification at every visit to verify that our office has the most updated card on file.

Knowing your insurance benefits is your responsibility. Please contact your insurance company with any questions you may have regarding your coverage. Please call the telephone number on your insurance card before your appointment and they will assist you in finding out whether the service to be provided at the appointment is covered, what your copay is and what your deductible is. If your insurance does not cover the cost of your visit or procedure, you will be responsible for the charges for all services rendered.

CO-PAYMENTS AND DEDUCTIBLES. According to your insurance plan, you are responsible for any and all co-pays, deductibles, and coinsurances. All co-payments and deductibles must be paid for at the time of service.

We accept checks, cash, Care credit and all major credit cards.

An additional $30.00 fee will be charged for any checks returned for insufficient funds or any other reason the check would be declined. Checks will no longer be permitted as a method of payment if there is a history of returned checks.

NON-COVERED SERVICES. Please be aware that some, and perhaps all, of the services you receive may be non-covered or not considered medically necessary by your insurance company. You must pay for these services and any cosmetic procedures in full at the time of visit.

ELECTIVE PROCEDURES/NON_COVERED PROCEDURES Patients are required to pay the estimated self-pay portion of elective/non covered procedures prior to services being rendered.

UNINSURED/SELF-PAY patients are expected to pay for services in full at the time of each visit.

PROOF OF INSURANCE. All patients must complete our patient information form before seeing the doctor. We must obtain a copy of your current valid insurance card to provide proof of insurance. If you fail to provide us with the correct insurance information in a timely manner, you may be responsible for the balance of a claim.

CLAIMS SUBMISSION. We will submit your claims and assist you in any way we reasonably can to help get your claims paid. Your insurance company may need you to supply certain information directly. It is your responsibility to comply with their request. The balance becomes your responsibility if no payment is received from the insurance company.

REFERRALS: If your insurance carrier requires a referral or authorization for your visit, it is your responsibility to make sure that out office receives current valid authorization. If you do not have a valid referral or authorization at the time of service, we will be unable to treat you until a valid authorization/referral is obtained, and you may be sent back to your primary care physician to obtain authorization prior to being treated or full payment will be expected at the time of service. Please remember to notify a staff member if your insurance prefers a specific lab. We appreciate your understanding of the ever-changing requirements of managed care plans and our position to adhere to their policies or requirements.

COVERAGE CHANGES. If your insurance changes, please notify us before your next visit so we can make the appropriate changes to help you receive your maximum benefits. If your insurance company does not pay your claim in 45 days, the balance will automatically be billed to you.

APPOINTMENTS: All children under the age of 18 must be accompanied by an adult that has authority to make health care decisions and authority to sign necessary forms. If parent/guardian cannot be present an **Authorization to Treat Minor Patient in Absence of Parent/Guardian form** must be provided. You may print the form from our website by going to readingderm.com and selecting *Patient Forms* or you may send a note stating that Reading Dermatology may treat the patient as deems necessary and appropriate otherwise the visit will have to be rescheduled.

MISSED APPOINTMENTS We understand that you may not be able to keep all of your scheduled appointments or might occasionally be late. Please understand that missed appointments have a detrimental impact on our practice and other patients. They also affect our ability to serve other patients in need of medical care. We understand there may be inclement weather or other circumstances that may require you to cancel your appointment. If you must cancel or reschedule your appointment, please do so at least 24 hours in advance. Failure to cancel or reschedule an appointment at least 24 hours in advance will be considered a no-show. We reserve the right to charge you $50.00 for any no-show If permitted by law and your insurance contract. Payment of the missed appointment will be required prior to scheduling another appointment. Reading Dermatology Associates, reserves the right to terminate any patient with more than two no-show appointments upon 30 days written notice to the patient to seek medical help from another practice.

If you are running late on the day of your appointment due to unforeseen circumstances, please contact our office immediately so that we can determine whether we can see you that day or if we will need to reschedule your appointment. If you are more than 15 minutes late. For an appointment, Reading Dermatology, may reschedule your appointment and refuse to see you at the originally scheduled time.
Cosmetic procedure deposits are **nonrefundable** unless a (5) day notice is given prior to your appointment. Any cancellation thereafter forfeits your deposit.

FORMS. We may bill $20 for forms or letters that a provider completes on your behalf. FMLA, Disability, and Supplemental insurance forms.

Copies of records for personal use will be charged the allowed fee by the Commonwealth of Pennsylvania.

ASSIGNMENT OF BENEFITS

I hereby authorize and direct my insurance carrier(s), including Medicare, private insurance and any other health/medical plan, to issue payment check(s) directly to Reading Dermatology Associates, for medical services rendered to myself and/or my dependents regardless of my insurance benefits, if any. I understand that I am responsible for any amount not covered by insurance or this assignment.
